THE EAGLE

SALUTES

MRS. RUBY MILLER

HEAD OF THE DEPARTMENT OF GIRLS PHYSICAL EDUCATION

Mrs. Ruby Miller came to Adams City High School in September of 1956. Since her arrival at the Eagle Camp Mrs. Miller has been responsible for building one of the most outstanding girls physical education programs in the state of Colorado. Her Girls Athletic Association is one of the largest in the area and other schools look to her programs at Adams City as a pattern for their programs. It is with a great deal of pleasure that we salute Mrs. Ruby Miller as an outstanding teacher and leader at Adams City.

Mrs. Miller began teaching in 1938 at the Iowa State School for Deaf. The last three years at this school she was the girls basketball coach. One year her team was the Iowa State Champions and runners-up the other two years. She has also taught in Elko, Nevada and Richland, Washington. She has taught five years in high schools in Oregon.

Mrs. Miller graduated from Iowa State Teachers with a B.S. degree. She has done extended graduate work at Columbia University, New York City, and at Oregon University.

Mrs. Miller was raised in Fostoria, Iowa. She and her husband were married in 1952 in Reno, Nevada.

Before accepting a teaching position at Adams City Mrs. Miller was the Director of Health Education for two and one-half years at the Denver Y. W.C.A.

Congratulations, once again, to Mrs. Ruby Miller for an outstanding job done at Adams City and may her program continue to grow with the high excellence it has in the past as our school continues to grow.

The primary responsibility of the Student Council is to carry on traditional activities of student government and to introduce innovations of better student living while attending high school.

The Student Council sponsored two sock hops after football games; Homecoming festivities; National Assemblies; Sportsmanship Committee; Christmas Assembly and Welfare project; Student exchange program with neighboring high schools; campaign assembly and election of student body officers; Color Day Assembly and class competition; Award Assembly; Coffee Hour for teachers during registration week.

These activities are sponsored by student council for the benefit and enjoyment of the students.

THE EAGLE STAFF TAKES PRIDE IN PRESENTING YOUR 1963 YEARBOOK

LEFT TO RIGHT: Doug Holcombe, Clint Doyle, LouElla Conway, Sandy Hedenskog, Mr. Bill Allen, Janet Cunningham, Jerri Mahlberg, Charlotte Kahl, Nancy Small.

The Eagle Staff is enthused about presenting to the students and faculty the 1963 Eagle. This is the largest Eagle in the history of the school. We hope we have recorded the events and individual pictures in this Eagle that will bring many pleasant moments to you in the future.

The Eagle supplement, which records all events from April through Graduation, will be larger and more attractive for 1963. The staff is happy to announce that your supplement will have a full colored picture of the Fieldhouse swimming pool as its cover. You won't want to miss this feature.

As you look through your Eagle we hope you will remember Adams City High well, its disappointments and happy moments, its moments of glory during the year.

To the seniors we wish a good future which will include some visits back to our growing campus.
